Benefiting the Ronald McDonald House of Memphis

2009 Sponsors

Granite & Marble Services, LLC

January 11, 2010

Dear Sponsors, Contributors, Teams. And Volunteers,

All of us at The Southern Hot Wing Festival and Contest would like to thank you for your generosity that made the 2009 Southern Hot Wing Festival a huge success. Nine fabulous bands and 31 teams along with your contribution and our fantastic volunteers are making a difference. The Ronald McDonald House of Memphis houses families of children stricken with cancer. Every night an average of 250 families are in Memphis while their children receive treatment at St Jude. The Ronald Mc Donald House provides a homelike comfortable and safe place for their children to live while they are in Memphis. There is no charge for families to stay at the Ronald McDonald House of Memphis. Since opening in 1991, the House has served more than 4600 families from around the world.

The Ronald Mc Donald House of Memphis depends solely on individuals, businesses, clubs, and organizations in the community for financial support, donations of household items, services, and volunteer time.

We certainly appreciate your involvement, contributions, and time. Without you this event would not be the huge success it has come to be. As Henry Hot wing says "aint nothin like a good hotwing!!!".

Sincerely Yours,

Paul J. Gagliano
Chairman/Founder
Southern Hot Wing Contest and Festival
